Career Objective

Passionate MERN Stack Developer with expertise in MongoDB, Express.js, React.js, and Node.js. Eager to apply my skills in full-stack development to innovative projects, enhance user experience, and drive business growth. Committed to continuous learning and staying updated with the latest web technologies. As a practicing Muslim, I value integrity, dedication, and responsibility in both my personal and professional life.

Skills

Programming Languages: JavaScript, TypeScript, C, C++

Frontend: React.js, Next.js, Redux

Backend: Node.js, Express.js

Database: MongoDB, Postgress

Tools: Git, npm, Postman, VS Code

Interpersonal Skills: Communication, Problem-Solving

Education

B.Sc Engineering in Computer Science And Engineering (CSE)

2020 – Present

Pabna University of Science and Technology (PUST), Pabna, Rajshahi

Higher Secondary Certificate (HSC)

2017 – 2019

Govt. Shahid Bulbul College, Pabna, Rajshahi

Projects

ForumHub Application

ForumHub is a platform designed to facilitate discussions, share knowledge, and build community connections. It provides features for users to interact while allowing admins to maintain a safe and respectful environment.

- Implemented user authentication with JWT for secure login.
- Membership Plans for Exclusive Features using Stripe payment.
- Users can create, read, and delete (CRUD) posts and threads.
- Admin Dashboard for Moderation.

Technologies: React.js, TailwindCSS, Node.js, Express.js, MongoDB, JWT, Axios, Tanstack/react-query.
